

App. No. 10/708,258  
Amendment dated April 30, 2007  
Reply to Office action of February 28, 2007

### **AMENDMENTS TO THE DRAWINGS**

The attached drawing sheet replaces for clarity, but does not make any changes to, the original sheet containing Fig. 3.

Attachment: Replacement Sheet

## **REMARKS**

### ***Summary of Amendments***

Claim 61 has been amended, and claims 62 and 63 have been canceled, but no claims have been added.

In addition, Applicants have withdrawn claims 12-22, 46-51 and 73-78. Nevertheless, as Applicants point out in their accompanying reply to the Office's requirement for election of species, they believe that all the pending independent claims are generic. It is respectfully therefore submitted that should any independent claim be held allowable, any presently withdrawn claim depending from that independent claim should be rejoined as depending on an allowable generic claim.

### ***Drawings***

A drawing replacement sheet attached to this paper provides a more distinct and clear version of Fig. 3, as required by the Examiner.

Favorable action by the Examiner at an early date is solicited.

Respectfully submitted,

April 30, 2007
